What
• Annual survey on FDI confidence
• Detailed commentary on the markets and the impact a variety of global trade issues have on their foreign direct investment (FDI) attractiveness (GlobalEDGE, 2018).

Why
• Track the impact of likely changes on foreign direct investment intentions.

What
• Measures the three main dimensions of globalization:
  • Economic
  • Social
  • Political

Why
• Identify an overall index of globalization and related sub-indices.
